

## Next Step Service Dogs

We hope this message finds you well.

Next Step Service Dogs would like to thank you for your on-going support during this unprecedented time.

Due to new restrictions from the State of California and in order to ensure we are doing our part to protect our volunteers, Veterans and the general public:

**We are going to be shutting down our training center and will not be accepting any new applications.**

When these conditions change and we are able to operate at full force, we will make another announcement as to when we will resume training and take new applications. We do not have a definite timeline, due to the pandemic.

We are going to do our best to provide services through Zoom, Facetime, etc., and we are working on a few, upcoming virtual events. Stay tuned for more information!

Thank you,
